## Taikan Drop Splitters & Cox Communications

Lawrence, Kansas (November 1, 2009) – Taikan is proud to announce its recent approval as a vendor of drop splitters for Cox Communications.

Beginning the early part of 2010, Taikan drop splitters will be available for Cox Communication systems throughout the United States to use. These products include Taikan's line of DSxG horizontal and vertical indoor splitters as well as the DTxG line of indoor taps.

“We are excited to be working with Cox Communications again. We believe that this is yet another testament to Taikan's product quality.” Edward Wang, General Manager of the Americas Market Taikan Company.

The DSxG line of drop splitters and DTxG line of indoor taps are currently available and more information can be found at [www.taikan.com](http://www.taikan.com)

### About Taikan

Taikan Company is a leading manufacturer of networking equipment for the wireless, satellite, telecommunications and cable industry. For over 30 years, Taikan has focused on delivering innovative and reliable network solutions for video service providers around the world. Taikan is headquartered in Lawrence, Kansas and has direct access to manufacturing facilities in Taiwan and China.

### About Cox Communications

Cox Communications is a multi-service broadband communications and entertainment company with 6.2 million total residential and commercial customers. The third-largest cable television company in the United States, Cox offers an array of advanced digital video, high-speed Internet and telephony services over its own nationwide IP network. Cox Business is a full-service, facilities-based provider of communications solutions for commercial customers, providing high-speed internet, voice and long-distance services, as well as data and video transport services for small to large-sized businesses. Cox Media offers national and local cable advertising in traditional spot and new media formats, along with promotional opportunities and production services. Cox Communications wholly owns and operates the Travel Channel. More information about the services of Cox Communications, a wholly-owned subsidiary of Cox Enterprises, is available at [www.cox.com](http://www.cox.com), [www.coxbusiness.com](http://www.coxbusiness.com) and [www.coxmedia.com](http://www.coxmedia.com)
