

### Optical Receiver: OR4-S Features:

- Headend 19 inch rack mount enclosure
- Supports four optical receiver modules
- LED status monitor indicators for each module
- RF test point provided on back panel
- RF output level can be adjusted. Adjustable attenuator located on front panel

Optical Specifications		Units
Optical wavelength	1200~1600	nm
Optical input range	-22 ~0	dBm
Optic connector type	Std: SC/APC (option: FC/APC)	
RF Features		
RF Bandwidth	5-200	MHz
Adjustable Output level Attenuation	0 ~ -20	dB
Connector Type	F type	

General Features		
Power	135~250	Vac
Weight	3 /(6)	kg (lb)
Dimension (LxWxH)	483x385x44mm (19x15x1.75 in)	mm (in)
